FullSpeed202: you are being difficult

#

#

nHall: I think that being difficult, as you say, in this

case, would be justified. I have just had to deal with

some very troubling things.

#

FullSpeed202: okay so tell me about the things you have

been having to deal with

for once

seriously you never tell any of us what youre even doing

#

nHall: Work, for the Union and for other associated friends.

#

FullSpeed202: yeah just doing librarian things and stuff

right

because i mean doing normal librarian things would get you

this clearly troubled over something

#

nHall: I am not "troubled over" anything.

#

FullSpeed202: yeah i mean not visibly because you have that

dumb weird obsession with people not seeing you express

anything more than the emotional range of a teaspoon

but youre also a bad liar you even just said it was

troubling

right

#

nHall: It is hard to take your expressed intent to help me

as truth when you match it with attacks on my mannerisms

and personal philosophy

In fact, one would say it is probably discouraging me from

revealing anything about what is going on to you

#

FullSpeed202: so there is something going on

#

nHall: No.

#

FullSpeed202: :|

#

nHall: I am disconnecting now, I have something I am going

to be busy with.

#

FullSpeed202: yeah you and your not troubling things

at some point youre gonna have all this stuff you keep

locked up inside boil over nathan

you know that right that is the thing that always happens

youre gonna have a screaming fit and fall into weird

throes of hatred and start exacting revenge like mad all

over the place that is how it always goes

#

nHall disconnected
